As Department Scholarships Chairman, it is your responsibility to see that the artwork entered in the Department Patriotic Art contest is returned to the students and the first-place Department winner's entry is forwarded to National Headquarters for judging. In the past, our office has been asked to find artwork that has never been returned to the student. To assist you, we have provided the above form for your Ladies Auxiliary Chairmen to complete and give to you when they pick up the student's artwork at your Department Convention.

We request that you keep the completed forms for one year, in the event our office must track down missing pieces of artwork.
