As we all know, the poppy is the remembrance flower which was inspired by the World War I poem "In Flanders Field". With November 11th, Veterans Day and December 7th, the attack on Pearl Harbor, Department President Mary's pin is a perfect symbol of remembering.

"I have a little poppy;
As red as red can be;
To show that we remember,
Those who fought to make us Free."

There are some Districts who I have not heard from. Please do not hold on to any checks. Send them to me so that I can get them recorded and forwarded to our Department Treasurer. Checks are to be made payable to Dept. of IL VFW Auxiliary; earmarked "President's Pins" and mail to:
