

# Membership Update #5

## Let's talk about reporting in membership

- ✓ Do not forget to report in Membership, we want to hear about all the creative ways you are promoting to new members and current members!!
- ✓ When reporting for Dues Reminders, do not forget to add your postage, envelope, paper, and ink costs in the **Total Dollars Spent** section.
- ✓ Do not worry if you cannot answer all the questions on the report, answer what you can and then report again later if you can answer more. **Report often!!**
- ✓ If you use ANY National Resources for recruiting or retaining don't forget to report this, as this is a question on the report this year!

### Department Goals:

#### Next Goals

Auxiliaries: **85%** by 9.30.2021

Districts: **75%** by 9.30.2021

Percentages must include at least one (1) annual continuous, new, or rejoined member

### National Goals:

Retain: 2,422/3,010 (1<sup>st</sup> goal by 10.31)

*We are getting so close to retaining  
50% Illinois!*

Gain: 11/135 (2<sup>nd</sup> Goal by 12.31)

\*Any overages will roll over to the next goal\*

### Dues Reminders (we will never get sick of this one 😊)

Sending dues reminders early will ensure you are giving your members time to pay their dues.

Look at your list of unpaid members, find out if anyone needs financial support to pay their dues. If so, your Auxiliary can pay them out of the Relief Fund. These past two years have been hard on everyone. A member might just need help to stay active.

We will send your 2<sup>nd</sup> or 3<sup>rd</sup> round of dues reminders!! Contact Danielle or Sarah to set up Dues Reminders sent from Department.

---

**Do not forget: ALL Auxiliary Officers must be current by December 31, 2021**
