

A NOTE FROM PAST DEPARTMENT PRESIDENT RITA FRANK

I would like to say "Thank You" to everyone that sent a card, made a phone call or sent an email to me at the death of my sister Brenda Carlson. She was a life member of VFW Auxiliary #1461. In the past ten months I lost three siblings, but this one hit me the hardest. She suffered with several different cancers the last 15 years and the most recent one was too much for her body. I really appreciate the out pouring of love from my VFW brothers and sisters and all the friends I have had over the years. You all truly helped this loss be a little easier and I thank you all from the bottom of my heart.

A NOTE FROM PAST DEPARTMENT PRESIDENT CINDY PARIS

I would like to thank everyone for the cards and well wishes during my recent hospital stay. The cards really brightened my day. I am now in Assisi of Clare Oaks getting back on my feet and hope to see all of you soon.
