Chief of Staff
Series 2020-2021
July 2020 Bulletin #1

I am honored to be appointed as the Chief of Staff/Extension Chairman in the “Making Life Bearable for our Veteran’s Year **2020-2021**”. This year’s Goals are Establish New Auxiliaries, Maintain Current Auxiliaries and Present to Unaffiliated Posts.

We have four Deputies this year including myself to help our Auxiliaries with any problems that may arise. Remember to be kind and courteous to all members. We are all here for the same reason; to serve veterans, their families and doing service work in the community. The key is working together as a **TEAM** and involving all members in projects we do for this Great Organization.

Keep up to date on the latest information found on the Department and National Websites. MALTA also has valuable resources free of charge to aid you in keeping our Auxiliaries healthy and in working order. There are also Certificates of Appreciation you can give out to say Thank-You for a job well done. Always remember if you are in doubt, ask questions and make sure you follow the proper Chain of Command.

Let’s work together on “**MAKING LIFE BEARABLE FOR OUR VETERANS**” a successful year.
