**Scholarship**  
Series 2020-2021  
July 2020 Bulletin #1

And we are off and running for the 2020-2021 year! Reporting is now being sent to chairman for this year. Let us get the ball rolling so we can get everyone involved in our programs.

My program is Scholarships and this program encourages students to express their Americanism and Patriotism in this great country! With everything going on in this country they need to express their Patriotism in words or art. It's going to be somewhat hard to get students through schools while we are not sure what is going to happen in the fall? Teachers will be concentrating on their own programs and education lessons to get them caught up on the students' goals. We need to work with our Auxiliaries and Posts to get things done with these programs. Talk to everyone about our programs and help them to pass the word. When you call your members for a wellbeing check, ask if they know of students that qualify to enter. If they saw that they don't think they would do it tell them just ask and let them know about the programs and let them make their own decision. You would be surprised what they say.

The theme this coming year is so appropriate for what's going on with our Country right now! Hang on here it is! "***Is this the Country the Founders Envisioned?***" WOW!!

What a super topic to write on! With all the things going on right now this is a great topic for their essay. ! Get your thinking caps on and go with it!!

The topic for Patriots Pen is "***What Makes America Great?***" Another great topic to write on! At this time both essays have an opportunity to think about what's going on and voice their opinion!

For those that are creative in art we have "Young American Creative Patriotic Art" They can show their skills in creating art work for display for them to be judged. We have had some remarkable items these passed years and look forward to see what they all create?

All information is posted in the [VFWAUXILIARYIL.ORG](http://VFWAUXILIARYIL.ORG). on line program books. If you have any questions, please contact me and I would love to help in any way
