We are quickly coming into the holiday season, time for comfort foods and also times of greater needs, consider helping with a local soup kitchen, or make a pot of soup or mild chili and share with a couple of veterans and their families from your post, it will be a pleasant surprise. The gift of hospitality has gone to the wayside especially with COVID, take time to spend with others and be an encourager.

Now is the time to finish reporting and making your donations for National Veterans Service (NVS), Veterans & Military Support Program (VMS) Which includes Military Assistance Program (Map) UNMET NEEDS, and VFW "Sports Clips help a HERO SCHHOLARSHIP. Remember if you donate and report by December 31, 2021 you will receive an award from Department. These donations go direct to the National VFW and then you need to report your contributions on the Auxiliary Website. If you need assistance to report please contact me, I will be glad to help.

The Buddy Poppy motto is "Honor the Dead by Serving the Living" This is truly our goal with Veterans & Family Support, how can we honor those that have passed and gone before us? By serving others with honor and respect.

HAPPY MARINE CORPS BIRTHDAY!!!
