PASS THE *COST OF WAR ACT*

SIGN THE PETITION

Dear Rhonda,

Although the year 2021 has come to a close, our fight to do what's right for our veterans never ends.

As we look ahead to the challenges still facing America's heroes, I am reminded of how fortunate we are to have your steadfast support. **Thanks to you, we have won many battles to get our veterans the justice they deserve.**

As a loyal supporter, I'm sure you're interested to know the most serious issues threatening our veterans. Please [take a look at the VFW's 2022 Priority Goals](#) to see the core issues we'll be tackling on Capitol Hill.

Most urgent right now is the *Comprehensive and Overdue Support for Troops (COST) of War and Honoring Our PACT Acts of 2021.*

These two critical pieces of legislation would establish presumptive disability benefits for veterans — past, present and future — who suffer from a range of health conditions and illnesses after experiencing toxic exposure while serving.

Our veterans risked so much to serve our country. We refuse to stand by as more sick and dying heroes suffer ...

Please let your legislators know you demand the swift passing of the *COST of War and Honoring Our PACT Acts*.

TAKE ACTION NOW

Each day, more veterans fall victim to devastating illnesses. We can't wait any longer — leaders must act now.

Thank you for joining us in this fight!

FOR VETERANS,

Fritz Mihelcic
