# Veterans & Family Support 2021-22

*MARCH 31<sup>ST</sup> We are finalizing our year of projects, we have been so very busy. For the Month of March...*

*We have met the challenge of the pandemic and overcame. We refused to sit by and not assist our Veterans and Military even though we weren't able to visit in the VA Hospitals, or nursing homes. We found multiple ways to assist, encourage and to send "Love" to our troops abroad.*

*This is what VFW Auxiliaries do best, serve our Veterans & Military!!!*

<b>PROJECTS COMPLETED</b>	• NINETY-SEVEN
<b>MEMBERS PARTICIPATING</b>	• 300
<b>MILES TRAVELED</b>	• 759
<b>HOURS INVESTED</b>	• 809
<b>MONIES DONATED</b>	• \$5,456.00

*When we take time to educate the community about what the VFW Auxiliary does for our Veterans & Military and their families it creates an atmosphere for individuals, businesses, and other like-minded organizations to partner with us. We ask high school Beta Clubs, sports teams to assist, then we have opportunities to also share about our other great scholarship programs. All of our programs connect to each other, as you are promoting Veterans & Family support you are working Membership, Youth Activities, Americanism the list goes on, As Auxiliary members we work together, encourage one another to keep our focus on our Veterans, Military and their families. As we share their stories, we are teaching Patriotism, Honor and Devotion.*
