

AUXILIARY OUTREACH
Cheryl Miller, Chairman
Bulletin #1

VFW Post Anytown, USA

Did you think you couldn't hold an Auxiliary Outreach project at your Post Home? Well, you thought wrong. This year projects can be held at your Post **IF** the project is hosted by another outside organization. For example, if you join with the **Red Cross** to hold a blood drive at your Post and you volunteer to work at the drive,

that is OK. (Donating blood does not count.) Maybe CPR  training by your local EMTs; you help them with their setup, sign in people to attend, excellent! Just remember, you **cannot** be the HOST of the event, you can only help the other OUTSIDE organization.

Sadly, we all have members that don't attend meetings regularly so they may not know that the hours they volunteer for other organizations can be counted for the Auxiliary Outreach program. Search for those members you may know that belong to other organizations and spend time volunteering for them. All they would have to do is tell you the hours they worked so you can report it. But don't forget to have it approved first in an Auxiliary meeting. Please contact me if you have any questions. I'll be searching for your reports! Cheryl Miller here, signing off till next time!
