**First goals for Department by 7/31**

100%+ or 90% for Auxiliaries

85% for Districts

## Dues Reminders

**Remember to send out your dues reminders ASAP after July 5<sup>th</sup> when Malta re-opens!! It is NEVER “TOO EARLY”!**

This will allow plenty of time for your members to pay their dues. Your President, Secretary, or Treasurer can access these on Malta.

If you delay, you do not give them enough time to plan out their payment and **holidays come quick!**

Remember to call your members as a reminder to pay their dues too! Sometimes mail can get misplaced or thrown away on accident.

Do you have a place in your post to display a dues flyer? It might be a good idea to post something around just stating it's time to pay your dues for the new term year!

If you need dues reminders sent by Department, you must send one round from your Auxiliary first. After that, we can send them for you. Reach out to Danielle to get those out to your annual members.
