

LEGISLATIVE PROGRAM
Lois Moore, Chairman
Bullet #2 – September 2022

First of all, I would like to thank all the Auxiliary members for getting their “Boots on the Ground for Our Veterans” and writing letters, sending emails, making telephone calls and personal visits to their Senators to get the Pact Act passed. Thank you again!

Now that we have our primary elections over, it is time to once again get our boots on the ground and focus on the young adults. Get them to register to vote so there are more voices speaking out positively regarding legislation affecting our Veterans and so they may help to elect officials who will work to pass legislation that will have a positive effect in the lives of our Veterans.

Remember, our goals are to be an advocate for our Veterans, to be informed about current issues and legislation dealing with our Veterans, and to be engaged in the legislative process.

Don't forget, whatever you do for our Veterans in the Legislative Program, make sure to report it. Some reports have been received for June, July, and August. So, please, keep your “Boots on the Ground for Our Veterans” and keep the reports coming.
