

BULLETIN – MARCH 2024

CHERYL MILLER, CHAIRMAN AUXILIARY OUTREACH

Spring is in the air!! Can't wait for the flowers to pop up and make everything colorful again.

Helping your local park or maybe a nursing home clean up and renew their flower beds would be a great Auxiliary Outreach project!

The following is what you will find in Malta under Member Resources. Please take note of the line highlighted in red. No matter how wonderful the project you completed was, if you don't send me this form, I cannot submit it for National recognition!

Thank you all for submitting your reports. So many good Outreach projects all around the state! Just remember now, and for next year, that \$\$\$ donations or even "in kind" donations do not count for Outreach, I still keep getting a few reports that are for donating money or coats, food, etc. I'm here to help you if you have any questions, just send me an email at cmilleraux6632@gmail.com. I will get back to you as soon as I can. Have a wonderful, enjoyable spring!
